

Rent or groceries?

Transportation or school supplies?

When faced with the impossible choices that many DC residents have to make, what would City Council members choose?

A DAY IN THE STRIFE

Join us to give the City Council a Tour of Life on the Poverty Line

**Thursday, May 10th
10 am - Noon
The Wilson Building
1350 Pennsylvania Ave NW**

Lunch will be provided | Bring ID to enter the building

Over the last few years, the Mayor and City Council have cut funding to safety net programs like affordable housing, homeless services, TANF, and Child Care. Meanwhile, DC residents are forced to make impossible choices to make ends meet.

Join us as we fight CUTS to the safety net, and show City Council members what it's really like to live in poverty!
